Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Merritt Academy. The AER addresses the complex reporting information required by federal and state laws. The school’s report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Tracy Cohrs for assistance.

The AER is available for you to review electronically by visiting the following website <https://bit.ly/3uckIFf>, or you may review a copy in the main office at your child’s school.

For the 2023-24 school year, schools were identified based on previous years’ performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as a not being given one of these labels.

Based on the review of the combined reports Merritt Academy needs to work on reading in the elementary grade levels were 38% of third graders were proficient. In middle school 36% of sixth graders were proficient. This data supports that students are still missing foundational skills to support reading for understanding.

In math, small group pullouts have been revised to meet the growing gaps from when students missed direct instruction during COVID. This supported as only 41% of fourth graders were proficient. In middle school intervention has been worked into the classroom as 33% of 7th graders were proficient.

Merritt Academy will instill academic excellence, character development, a love for life-long learning, and service to others.

State law requires that we also report additional information.:

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

For the school years and 2021-2022 and 2022-2023 students must complete an enrollment packet before being accepted to the school. They must have their prior discipline report verified from their previous school before final acceptance is granted.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

The School Improvement team has developed goes for both 2021- 2022 and 2022-2023 school years, which are listed below. Measurement will be based on M-Step results in grades 3-8 and 11, PSAT for students in grades 8-10 and SAT students in grade 11. NWEA results will also be used for students in grades K-10. The school continues to make progress towards the established goals.

Strategy 1- MTSS remediation program in both math and reading with intervention teachers that include both small group pull-outs and push-in supports.

Strategy 2- Beginning to implement HMH curriculum in both math and reading, including professional development for all teachers

NWEA growth targets will be used to measure growth along the way to our end goal. We will monitor the percentage of students meeting their growth goals at the end of the 2021/22 (60%), 2022/23 (70%) school years will be used for progress monitoring. At the end of the 2023/24 school year at least 80% of students should be meeting their NWEA growth targets.

DESCRIPTION OF EACH SPECIALIZED SCHOOL

During the 2021-2022 and 2022-2023 school years, Merritt Academy did not have any specialized schools.

ACCESS A COPY OF THE CORE CURRICULUM

The core curriculum is available by contacting the main office. The curriculum is fully implemented and did not vary from the states model in 2021-2022 and 2022-2023 school years.

AGGREGATE STUDENT ACHIEVEMENT RESULTS

The table below shows the percentage of students that met their personal growth goal in NWEA (MAP). The table shows data for the 2020-2021 and 2021-2022 school years in both reading and math.
