ADMISSION INTO ACADEMY

During the school year, parents wishing to enroll their child into Merritt are required to complete an application and provide all necessary documentation including proof of Michigan residency. If space is available, the parent will receive an acceptance letter for their child. If space is not available, the child will be placed on the waiting list and called in the order they signed in (based on date and time of submitted application).

During public enrollment for the proceeding school year, parents must also complete the application and provide all necessary documentation including proof of Michigan residency. However, if space is not available, children will be admitted on the basis of the lottery system according to the Board of Directors policy. Before Open Enrollment current parents are provided a form that must be returned to hold their child's spot for the upcoming school year. All parents will be required to complete a form to reserve their child's placement for the following school year.

PARENT INVOLVEMENT AND COMMITMENT

By enrolling your child at Merritt Academy, you have chosen to participate in a unique educational experience that actively involves both you and your child. We ask that you demonstrate your commitment to Merritt Academy by...

- Ensuring your child will attend school on a regular basis. He/she should attend school unless he/she is unable to function at school due to illness. We also ask that you schedule vacation in conjunction with school breaks and holidays.
- Ensuring your child will be on time to school each day. Being on time is critical to minimizing interruptions to instruction and learning time for all children in a class. One child being 5 minutes late each day means a loss of two full school days in a school year for the entire class. Consider the loss over

time when there are multiple tardies. Respect the need to have your child at school on time.

- Provide your child with the necessary materials and time to complete assignments requiring library references, computer access and other research materials.
- See that your child is dressed properly in adherence to the dress code policy.
- Attend conferences and communicate with your child's teachers to monitor progress and to address questions and concerns as they occur.
- Read and return, on time, as requested, all informational materials sent home by the school and classroom teacher in order to ensure good communication.
- Adhering to policies and procedures within this handbook and at the school including behavior in the parking lot and on school grounds.
- Responding respectfully and appropriately to all staff, students, parents, and guests within the Merritt community and at the school.

Complaint Procedure: If you have a disagreement with a teacher or the administration, you should make every attempt to settle the problem with that person, without involving others. Should it not be settled, the two should go to the next line of authority to arbitrate the difficulty (Teacher → Vice Principal → Principal → Superintendent → Board of Directors). It is the goal of Merritt Academy to respond to complaints and problems as soon as possible.

DAILY PROCEDURES—ARRIVAL

Students should arrive at school between 7:30 am and 7:35 am, however students will not be permitted to enter the building until 7:30am. **Students arriving before 7:30 must report to the main hallway in the high school.** Students need to enter the building in an orderly fashion, they may not run, shout, or otherwise act in a disorderly manner. All students wearing hats need to remove them upon entering the building.

Prompt arrival into the classroom is essential. Classroom entry doors open at 7:30 am and all students arriving tardy to school will be directed through the main office to their classrooms. Students may go directly to their homeroom until 7:55 am. At 7:55 am, parents must sign students in and the student may proceed to their classroom. Once class has begun, it is distracting to the other students to have their classmates entering the room late so please make every effort to have your child to school on time.

Parents of K-5th grade students may drop off their children at their designated entry doors. Upon arriving to school, all students are expected to remain outside of the school facility until 7:30 am unless registered for Latch Key or accompanied by an adult.

AM & PM FACILITY SAFETY PROCEDURES

Parents are to follow the mapped out drop off and pick up procedures. They are not to park in undesignated spots. Students and parents are only to use the main entrance doors for entering & exiting the building between 8:00 am and 3:15pm. **Parents are expected to exit the classrooms by 7:45 in order for the school day to progress.** All visitors during this time MUST report to the main office and sign in. No visitors will be permitted into the classroom corridors without prior approval. This is for the protection of all students and staff in the building.

LUNCH

Each student will have a minimum of twenty minutes to complete his or her lunch. Students are expected to follow the Lunch Room Code of Conduct and respect all adults that are Merritt staff or parent volunteers when enforcing this Code.

- Students are expected to stay in the lunchroom and ask permission before leaving the lunchroom.
- Students are to use quiet voices when conversing with other students, yelling across the table or room is not acceptable.
- Students are expected to use good table manners while at lunch and to clean up their area after eating.

Any student that does not follow the Code of Conduct will be referred to RTC or the Administration. Continual problems will result in loss of cafeteria privileges and the student will be required to eat in the school office or other assigned area with their parent/guardian if necessary.

A daily hot lunch program is offered to all students at Merritt from an outside food service. Menus are distributed to parents monthly. Payment for lunches must be made in advance according to the lunch schedule. No lunches can be purchased the same day.

There are no refrigerators or microwaves for student use. All lunches brought in need to be prepared ahead of time. Drink boxes, for example can be frozen the night before and packed in the student's lunch to keep items cool.

Furthermore, at no time are caffeinated beverages, energy drinks, or other similar products permitted for students.

RECESS

For grades K-5, students have recess for approximately twenty minutes. Recess is held in the playground or blacktop area behind the school. Students are required to stay in the designated recess area and follow all school policies. All students are required to participate in the recess time. Please make sure they are dressed appropriately for the weather. Students will go outside for recess when the wind chill is 15 degrees or above.

In the event of rain or wind chill is below 15 degrees, recess will be held in the student's classroom.

DISMISSAL

At no time will the Academy permit a student to be dismissed without a parent/guardian. Students are not permitted to walk home or leave with a friend without written parent/guardian permission and approval in the main office. Repeated offenses will be turned over to the principal and school social worker for review and follow-up.

Students in grades K-5 are dismissed from the classroom at 3:15pm. Parents are required to follow the parking lot instructions for dismissal. All students not picked up by 3:25pm will be sent to Latch Key. If the student's are not registered for Latch Key they will be sent to the office. If students are left here for long periods of time or on repeated occasions, the authorities will be called to pick up the student. Students will not be permitted to walk home without administrative approval. Administrative approval requires signed written permission from a parent/guardian for consideration.

INDIVIDUAL STUDENT DISMISSAL

Students will be dismissed from their classroom to a parent/guardian or emergency contact until the age of 18. Students will not be dismissed to any other adult or peer unless prior written arrangements are made with the Academy office. This procedure will guarantee the safety and well being of all students. Parent/Guardian is required to go to the office to pick up their child from the Academy at times other than normal arrival and dismissal. The Parent/Guardian is not to go directly to the classroom but report to the office where they will be required to sign students out of the Academy. After approval from the main office, parents will be allowed to go to the classroom to pick up their child. Parents should not go to the classroom to pick up the student. This causes disruption to the learning environment.

Students Signing Out

When a parent or guardian gives permission for their student to leave school for emergency or medical appointments, the following must be adhered to for dismissal:

1. If parent/guardian is picking the student up, the parent/guardian needs to come into the main office (ID will be required) and sign the student out.
2. If the student has a vehicle at school the parent/guardian can call the main office and speak to the office staff. The office staff will then call the student out of class and sign them out. The student must bring in a written note from the parent the next day and the office staff will call parent to verify note.
3. Parents can write a note stating the date, time of dismissal, reason for dismissal, and phone number where the parent can be reached. The student must bring the note to the office in the MORNING. The office staff will call and confirm with the parent to ensure safety of our students. If we are unable to reach a parent to confirm the note, the student WILL NOT BE RELEASED.

TELEPHONE

A telephone is available in the school office for EMERGENCY phone use by students. During the school day, permission to use the telephone must come from the office personnel. It is also school policy for students to work out any concerns with staff when adult intervention is needed, not with parents by phone. Please see policy for prohibited electronic devices for additional procedure of handling student in possession of cell phone.

THE ACADEMY VISITORS

Adult visitors are always welcome. However, we are interested in knowing who is in the building and require all visitors to register in the office and wear a visitor's badge. Students or parents from other schools or Academies wishing to visit must make prior arrangements with the principal and a fifteen-minute observation will be scheduled with an educator. Any visitors that will be spending more than four hours in a week at the Academy will be required to meet all criminal/background screening at the cost of the visitor. This is to ensure the safety of all Merritt students and staff.

VOLUNTEER POLICY

The Educational Service Provider recognizes that certain programs and activities can be enhanced through the use of volunteers who have particular knowledge or skills that will be helpful to members of the professional staff responsible for the conduct of those programs and activities.

The Principal in cooperation with the Educational Service Provider shall be responsible for recruiting volunteers, reviewing their capabilities, and making appropriate placements. S/He shall not be obligated to make use of volunteers whose abilities are not in accord with school needs. The Administration shall conduct

appropriate background checks on all volunteers in the same manner as required for other professional staff for any volunteer that is assigned to the school for more than four hours per week.

The Administration is to inform each volunteer that s/he:

- Shall agree to abide by all Board policies and school guidelines while on duty as a volunteer including signing, if appropriate, the School's Network and Internet Access Agreement Forms;
- Will be covered under the School's liability policy but the School cannot provide any type of health insurance to cover illness or accident incurred while serving as a volunteer, nor is the person eligible for workers compensation;
- Will be asked to sign a form releasing the School of any obligation should the volunteer become ill or receive an injury as a result of his/her volunteer services.
- To attend the appropriate training for the assigned tasks prior to volunteer services at the school.

The Administration shall also ensure that each volunteer is properly informed of the School's appreciation for his/her time efforts in assisting the operation of the School

THE ACADEMY EMERGENCY CLOSINGS

In the event of the Academy closing due to weather or other emergencies, please check Channel 7/ABC, Channel 4/WDIV, and Channel 2/FOX News. In the event of a school emergency, you will be contacted by Academy personnel so it is important that you keep your information updated at the front office.

Parents will also receive a phone call from the IRIS system informing them of any school closing information or emergency.

TEXTBOOKS AND SUPPLIES

Students are responsible for the proper care of all books and supplies issued each year through the Academy. Students who lose books or damage the Academy property will be assessed a replacement fee or repair cost to offset the replacement or repair cost. All costs are to be paid prior to receiving all report cards or the transfer of student records.

HOMEWORK

Homework is a very necessary and integral part of a child's education. The purpose of homework is to reinforce those skills and concepts taught in the learning environment. Homework also includes work not finished during class time. Parental support and cooperation are very important in this area. Helping students with their homework shows you are interested in their education. Each educator is responsible for the classroom homework policy. This is to ensure age-appropriate requirements. Please note that homework can come in many forms and while the Academy recognizes that age appropriate learning also consists of social and family activities at home, we request your support and cooperation while we try to find the best ways to reinforce learning at home. When traditional forms of homework are not necessary, the educators may have alternative projects and such instead. Please direct all homework questions to your student's educator.

REQUEST FOR HOMEWORK

A request for homework for a child that is ill should be made in the morning. This will allow time for the educator to organize the materials. Homework may be picked up in the office at the end of the day. Our educators will make every effort to have homework ready to be picked up in the office at the end of the day. Please remember that much of the learning at Merritt Academy is done in a hands-on and experiential way and many times cannot be sent home to be completed. That is why it is vital that all students are at school as much as possible.

If homework is requested in advance for an extended period of time the classroom teacher needs at least one weeks notice. All work that is provided should be turned in when the child returns to school. Only one or two additional days will be granted to turn in work received ahead of time.

COMMUNICATION

Parents can now access up to date information on their student's progress via the web. A letter will be sent home at the beginning of the school year for each student providing a user name and password. Additional copies can be requested in the office. Just visit powerschool.merritt-academy.org/public, enter in your ID and password, and you will have access to grades and attendance, information on individual assignments. This is a great way to stay on top of what is happening with your student!

Check the school website, www.merritt-academy.org for updated information on the Academy and student activities.

STUDENT RECORD "RIGHTS"

The Federal "Family Educational Rights and Privacy Act of 1974" provides parents or guardians of students under the age of 18 the right to examine official records, files, and data relating to the student. If you wish to review your child's record, please contact the office.

STUDENT RECORDS

The Board of Directors for Merritt Academy believes that all student records shall be treated as confidential and exist primarily for local Academy use or as otherwise stipulated. To request a review of your students records a parent/guardian must contact the main office to schedule an appointment. To request a hardcopy of your student's records a parent/guardian must submit the request in writing to the main office. The Office Manager will then contact the parent/guardian to notify of when the request can be reasonably fulfilled, not to exceed 15 days.

In situations where the parents of a student are divorced or separated, each parent custodial and/or non-custodial has equal rights to their child's records unless a court order specifies otherwise. The Academy's personnel shall not recognize private agreements between the student's parents.

Parents shall have an opportunity for a hearing to challenge the content of their child's school records to ensure that the records are not inaccurate, misleading, or otherwise in violation of the privacy or other rights of students; to provide an opportunity for the correction or deletion of any such inaccurate, misleading or otherwise inappropriate data contained therein; and to insert into such records the parent's written explanation of the content of such records.

Any eligible parent/guardian or student may inspect the records of the student during regular Academy office hours with a scheduled appointment. The district reserves the right to interpret selected records to students and/or parent/guardians at the time of the inspection.

If circumstances prevent a parent/guardian from exercising their right to come to the Academy to review a student's education records, the Academy will provide a copy of the requested records to the requesting party following the procedure above. The Academy will not destroy any educational records if there is an outstanding request to inspect and review a student's records.

Whenever a student attains 18 years of age, the consent required of and the rights accorded to the parents of the student shall thereafter only be accorded to the student. Parents/guardians are responsible for updating the academy when an emergency phone number and address information has been changed.

MOVING?

We want to know:

- New address and phone number
- Date of the move
- Name of the new school
- Students are expected to:
 - o Return all library and textbooks*
 - o Settle all outstanding debts*
 - o Collect all personal items*

In the event that the above is not returned the student's records will not be transferred and the last report card will not be mailed to the parent/guardian.

SCHOOL-WIDE POLICIES

www.merritt-academy.org

CELLULAR PHONES, MP3 Players, IPODs, and Other ELECTRONIC DEVICES

At no time are students permitted to bring pagers, cellular phones, video games, musical electronic listening devices or any other electronic devices into the classroom. They are to be kept turned off and in lockers. Failure to follow policy will result in disciplinary action and forfeit of device to the academy. Merritt will not accept responsibility for the personal items of students lost, stolen, or confiscated.

- First offense the item will be taken and returned to student after a meeting with administration.
- Second offense the item will be returned to parent or guardian
- Third offense-the item must be turned in at the office for the school day.
- Refusing to surrender a cell phone will result in further disciplinary action.

STUDENT CAMERAS

For the safety and well being of all of our students, student cameras are not permitted at school. We recognize the importance of school day memories and will designate specific dates and events which cameras will be permitted for. This will require teacher supervision of the photographs being taken as well as administrative approval. Please understand that we want to ensure the safety and well being of every student at Merritt and that circumstances such as the internet and other predators are at large and we want to protect and ensure you are aware of exposure of your child.

Students in possession of cameras that are not approved by administration will be confiscated and if necessary pictures deleted prior to release of camera to parent/guardian.

INTERNET USE POLICY

Merritt Academy adheres to the federal requirements and guidelines stipulated under Title XVII— Children's Internet Protection Act.

A. Educational Purpose

Merritt Academy Internet system has a limited educational purpose. Activities that are acceptable include classroom activities, career development, and high-quality personal research. Merritt Academy has the right to place reasonable restrictions on material you access or post through the system. You are expected to follow the rules set forth in the Merritt Academy disciplinary code and the law in your use of the network. *Students who use laptops for personal (non-academic) purposes during the school day will be prohibited from bringing their laptop to school or using an Academy laptop during the school day.*

B. Internet Management

Embracing the Internet as a critical and essential component in today's world is essential if our students are to become functional members of society. The benefits attained by the advancement of technology bring with it associated costs and a wide range of risks, in particular, the exposure of student to inappropriate material and people. As part of our commitment to Internet security, we offer a firewall (a web-blocker application program). This has the ability to block objectionable material and captures the window when questionable material is accessed.

C. Unacceptable Uses

The following uses are considered unacceptable:

1. Personal Safety and Personal Privacy

Students will not post personal contact information. This includes students' address, school address, telephone number, and name on the Internet. This includes other people as well as the student. Students will promptly disclose to the teacher any message or website that is inappropriate or makes students feel uncomfortable.

2. Illegal Activities

Students will not attempt to gain unauthorized access to Merritt Academy Network or to any other system through the network beyond authorized access. Students will not attempt to deliberately disrupt the computer system or destroy data by spreading computer viruses or by any other means. Students will not use the network to engage in any other illegal act, such as arranging for illegal activities or threatening the safety of other people.

3. System Security

No software is to be downloaded on the computers at any time without explicit consent of the system administrator.

4. Inappropriate Language

Restrictions against inappropriate language apply to public messages, private messages, and material posted on Web pages. Students will not use obscene, profane, vulgar, rude, threatening or disrespectful language. Students will not post information that could cause damage or a danger of disruption. Students will not engage in personal attacks, including prejudicial or discriminatory attacks. Students will not harass another person. Students will not knowingly post false or defamatory information about another person or organization.

5. Respecting Resources

Using the computer systems and Internet is a privilege. Students need to respect the computer by using it appropriately.

6. Plagiarism

Students will not plagiarize works that they find on the Internet or any other print source. Plagiarism is taking the ideas or writings of others and presenting them as if they were your own.

7. Copyright

Students will respect the rights of copyright owners. Copyright infringement occurs when you inappropriately reproduce a work that is protected by a copyright. If a work contains language that specifies appropriate use of that work, students should follow the expressed requirements. If students are unsure or have questions, they should ask a teacher.

8. Inappropriate Access to Material

Students will not access material that is designated for adult use only or is profane or obscene, that advocates illegal or dangerous acts, or discrimination towards other people. If students mistakenly access inappropriate information, they should immediately tell the teacher. This will protect students against a claim that they have intentionally violated the rules.

D. Disciplinary Actions

Students should only expect limited privacy in the contents of personal files or records of Web research. Routine maintenance and monitoring of the network may lead to discovery that you have violated the Policy, the school disciplinary code or the law. An individual search will be conducted if there is reasonable suspicion that you have violated this Policy, the Merritt Academy disciplinary code or the law.

Merritt Academy will cooperate fully with local, state, or federal officials in any investigation related to any illegal activities conducted through the school.

E. Limitation of Liability

Merritt Academy makes no guarantee that the functions or the services provided by or through the school Network system will be error free or without defect. Merritt will not be responsible for any damage that may be suffered, including but not limited to, loss of data or interruptions of service. The school is not responsible for the accuracy or quality of the information obtained through or stored on the system. The school will not be responsible for financial obligations arising through the unauthorized use of the system. Parents or guardians will be responsible for any harm to the system as a result of intentional misuse.

LOST AND FOUND

Found articles of clothing or miscellaneous articles will be placed in the lost and found areas located outside the gym in the high school or by each entrance in the middle and back buildings. The last Friday of the month all the lost and found items will be removed and donated to a local charity organization. To help alleviate the problem of lost articles, PLEASE PUT YOUR CHILD'S NAME ON ALL CLOTHING.

STUDENT SOLICITATION

Students may solicit only for the Academy-sponsored activities. All the Academy activities at the elementary level discourage door-to-door solicitation in the community. There will be no exchange of money among students for any purpose unless authorized by the office.

THE ACADEMY CELEBRATIONS

All celebrations are at the discretion of each educator and the academy administration. If you choose to have your child not participate in an activity, please speak with your child's educator. If the activity is due to religious or other beliefs an opt-out activity will be provided for your student. At Merritt Academy, we try to recognize celebrations and traditions of many different cultures. Understanding cultural diversity is an integral part of society. If you have other suggestions for educators or the school in regards to celebrations and traditions of different cultures please let us know and we will be happy to consider the additions.

IMPORTANT INFORMATION:

Students with special needs

www.merritt-academy.org

SPECIAL SERVICES

The services of a speech and language therapist, psychologist, social worker, and Special Education Educator, and Occupational therapist are available on a referral basis. If you would like more information, please contact your child's educator. The following special services are available to all students who qualify under state guidelines.

- Occupational Therapist: Provides services to students who need fine motor therapy.
- School Psychologist: Provides services to students who need evaluation for special education needs.
- School Social Worker: Provides services to students who are experiencing personal or social adjustment problems in the Academy or at home.
- Speech Therapist: Works with students who are impaired by speech and language difficulties.
- Special Education Teacher: Services are provided for students with special needs in a resource room or on a consultant basis.
- Vision and Hearing: The Macomb County Health Department provides tests annually for designated grade levels.

SPECIAL EDUCATION POLICY

The board of Directors of Merritt Academy wants each child to fulfill their ultimate learning potential. To the extent that an educator or parent feels that child may demonstrate some learning disabilities, the following board policy to evaluate a child's academic progress shall be followed:

- After either a parent or educator expressed a concern about a child's school performance, Response To Intervention, RTI, plan will begin in which an educator is making documented attempts to develop strategies that increase success of student. If the RTI process is not successful after all options have been exhausted, a child study meeting will be held to determine if formal testing is needed. The student's educator, special education educator, learning specialist, school social worker or counselor and principal will attend the child study meeting.
- If it is determined that formal testing is needed, within ten days parents must be notified and request made for their written authorization for testing.
- Once the parents provides consent for formal testing of their child, the Academy has thirty days to complete the evaluation process and hold an Individualized Education Program Team (IEPT) meeting in which determines if special educational services are needed.
- For a child to qualify for special education services there must be proof that the child's academic progress is impacted by a discrepancy in achievement or other tested data.
- After a decision is made on the student's eligibility for special education services, the IEPT meeting is held with general education educator, special education educator, principal and parent in attendance.
- It will be determined at the IEPT meeting how many hours per week and what services the child will receive special education services.
- Once a child is in special education the child's IEP goals will be reassessed annually.
- Every three years the child must be reevaluated to determine continued eligibility for special education services. It is the ultimate goal for each child eligible for special education services that the achievement gap will be closed and that the special education intervention strategies have worked to no longer require services.

SECTION 504

Section 504 of the Rehabilitation Act of 1973 is designed to prohibit discrimination based on disability in any program or activity receiving federal money. This statute obligates public schools to provide equal access and equal opportunity to otherwise qualified persons with disabilities. It must be because of this disability that the student is unable to gain equal access and benefit from school programs and services.

Two guidelines that a student may qualify for a 504 plan are listed below.

- A physical or mental impairment (has a history of having a physical or mental impairment)
- That **substantially** limits one or more major life activities

If you believe that a student may be eligible for Section 504 support, please contact Ms. Cohrs (Vice Principal) for additional information.

HOMELESS STUDENTS: MCKINNEY VENTO ACT

Educational Rights of Children and Youth Experiencing Homelessness: *If you or someone you know is experiencing homelessness, please notify the school so we can help. This is not something to be ashamed of and there are many resources to assist families in this situation. Merritt Academy is committed to keeping all information strictly confidential.*

Children and youth experiencing homelessness have the right to:

- Go to school, no matter where they live or how long they have lived there. Students who are homeless must be given access to the same public education provided to other students.
- Continue in the school they attended before becoming homeless or the school last attended if that is their choice and feasible. The school district's local liaison for homeless education must assist you, if needed, and offer you the right to appeal a decision regarding your choice of school if it goes against your wishes.
- Receive transportation to the school they attended before they became homeless or the school last attended, if a request is made for such transportation and transportation is feasible.
- Attend a school and participate in school programs with students who are not homeless. Students cannot be separated from the regular school program due to the fact that they are homeless.
- Enroll in school without providing a permanent address. Schools cannot require proof of residency that might prevent or delay school enrollment.
- Enroll and attend classes in the school of their choice even while the school and student who is homeless seek to resolve a dispute over enrollment.
- Receive the same special programs and services, if needed, as provided to all other students served in these programs.
- Receive transportation to school and to school programs.

These rights are established under the McKinney-Vento Homeless Assistance Act. This act is the primary piece of federal legislation dealing with the education of children and youth experiencing homelessness in U.S. public schools. It was reauthorized as Title X, Part C, of the No Child Left Behind Act in January 2002. To qualify for these rights, children and youth must be considered homeless according to the McKinney-Vento definition of homelessness.

How does the McKinney-Vento Act define homelessness?

According to U.S. Department of Education (USDE) guidance, people living in the following situations are considered homeless under McKinney-Vento: doubled-up with family or friends due to economic hardship; in motels or hotels due to lack of other suitable housing; in homes for unwed or expectant mothers because they have nowhere else to go; in homeless and/or domestic violence shelters; in transitional housing programs; on the streets; in abandoned buildings; in public places not meant for housing; in cars, trailers, and campgrounds; or awaiting foster care. Runaway and/or "throwaway" children and youth are also considered homeless under McKinney-Vento.

The description above refers to people living "doubled-up". What does that mean?

"Doubled-up" refers to people who are living with friends and relatives due to loss of housing, economic hardship, or a similar reason. However, families who have chosen to move into adequate housing situations with friends or relatives for reasons of cultural preference or convenience are not covered by McKinney-Vento.

Are migrant students considered homeless under McKinney-Vento?

Migrant students are considered homeless if they meet one or more of the definitions of homelessness under McKinney-Vento. However, migrant students should not be considered homeless simply because they are migrant.

Are children in foster care considered homeless?

No. The McKinney-Vento definition of homelessness includes children who are awaiting foster care placement only. Once children have been placed in foster care, they are no longer considered homeless.

If you would like additional information on the rights of homeless students or you would like to notify us of a situation involving a homeless student, please contact the following Merritt Academy Homeless liaisons:

Ms. Tracy Cohrs Vice Principal tcohrs@merritt-academy.org (586) 749-6000

**ADDITIONAL
INFORMATION**

www.merritt-academy.org

BOOK BAG/LOCKER CHECK

Random book bag and locker checks are to help prevent any illegal substances or weapons from being housed in the student possession. It is the responsibility of the school administration to check bags and lockers. The school administration may be assisted by the police and canine unit from time to time when conducting locker or personal bag checks. Merritt Academy is not responsible for items that are stolen out of book bags or lockers. Students should never bring valuable expensive coats, jackets, jewelry, shoes, supplies etc. to school. Students are not allowed to share a book bag or house another student's belongings in their bag.

MEDICAL REQUIREMENTS

State Law and the Macomb County Immunization Code require all students entering the Academy to provide evidence of having received the required immunizations for Diphtheria, Tetanus, Peruses, Polio, Measles, Rubella, and Mumps, HIB shot, Hepatitis B, and Chicken Pox or a signed statement that a child has not been immunized because of religious or other reasons. State Law and Macomb County Immunization Code prohibit the Academy from admitting children without the required immunizations or documentation.

MEDICAL EXCUSES

A student may be excused from physical education and recess for one day with a note from parent/guardian. Extended excuses will be honored upon receipt of a physician's note. In the event of an extended excuse a physician's note may be required to return to physical education, recess, and after school activities.

COMMUNICABLE DISEASES

Any student evidencing a rash, sores, or other physical problems with possibility of being contagious, the student will be sent to the office to be sent home. When a child is absent with a contagious disease or illness, the parent/guardian should notify the Academy office. In order for your child to be admitted back into the Academy, parents must comply with the Macomb County Health guidelines. Please contact the Academy office for further information.

ADMINISTRATION OF MEDICATION

In accordance with Merritt Academy's policy, no medication is to be in the student's possession at any time. Should children be required to take medication during the school hours, a form must be filled out by the physician indicating the name of the drug, the dosage to be taken and any other instructions that are necessary. The medication must be brought from the home by the parent/guardian or other responsible adult. The medication container must have the dispensing instructions noted on it. At school, the medication will be kept under lock and key and only the office staff will administer the medication. A record is kept of the medication that is administered to each child. A log will be kept indicating when each dose is administered to each child and signed by administrating staff and when possible a witness. It is the responsibility of the High School student to come to the office to take the medication. If it needs to be distributed at a specific time during class, the parent must provide a physician's note to that specific classroom teacher.

NOTE: Prescription inhalers, EpiPens, and over-the-counter throat lozenges will kept in the classroom by the teacher. Inhalers and EpiPens will travel throughout the day with the student.

ILLNESS AND ACCIDENTS

Children should report all illnesses and injuries occurring in the Academy to their educator or supervisory personnel. Only immediate and temporary care will be given in the Academy. Parents will be notified by phone when a child needs additional care. If injury or illness is of an urgent nature, the local emergency services will be contacted. Any cost is the responsibility of the parent. The school office will also notify the child's parent/guardian.

If a child must go home because of an injury or illness, it is the parent/guardian's responsibility to pick up the child at school. The emergency phone number becomes crucial since it is the first number the office attempts to contact.

POLICY FOR REPORTING SUSPECTED CHILD ABUSE

In a perfect world, all children are loved, well cared for, safe, and treated with respect. Because our world isn't perfect, this is not true for some children. As educators and other Academy staff members, we not only have the privilege of teaching, learning from and getting to know our students, but we must take on the responsibility of listening to and helping them when they need us to. When there is reasonable cause to suspect child neglect or abuse the following policy will be followed.

MAKE AN ORAL REPORT

In accordance with the law, any Merritt Academy employee who suspects child abuse or neglect will report it to Child Protective Services immediately. Suspicion can be based on many factors such as observations, bruises or marks, student report, and so on. The abuse does not have to be confirmed. After an internal investigation, the Wayne County Department of Social Services will determine the correct course of action. The Department caseworkers will interview the student as soon as possible. Any Academy employee having knowledge of the incidents or concerns about the child on question should be prepared to share any such information with the child protection services caseworker or with any law enforcement personnel.

FIELD TRIPS

The purpose of a field trip is to give students a better understanding of their culture and acquaint them with real life experiences. Students are expected to follow all the Academy rules and policies and pay for any cost incurred. For those who cannot afford such trips, some funding and/or fundraising options may be available. Please notify the office in such cases. If a Field Trip Permission Form is not submitted by a parent/guardian in the proper time frame, if the student is not in proper uniform, or a student has had behavior which may jeopardize the safety of self, others, or the school, the child may not attend the trip. Students not attending will still be expected to attend school and will be provided parallel learning activities.

Student safety is the main priority on field trips. Sponsoring and chaperoning adults are expected to adhere to Academy policies and procedures on the field trip as well as sign a chaperone agreement provided by the classroom teacher specifying specific expected chaperone behavior. Sponsors and chaperones should acquaint themselves in advance with those students who have medical conditions, which may need emergency care. The classroom teacher must accompany the group and adequate male/female supervision should be provided.

Responsibilities of Parents Chaperoning Field Trips: Parents play an important role in making a field trip successful. Field trips are planned to supplement the content through a “hands-on” experience. In preparing for a field trip, the following points need to be understood by parent chaperones.

1. The classroom teacher is the final authority for all field trip preparations including: volunteers, schedules, student discipline, and learning objectives.
2. Chaperones are required to remain with their assigned group for the duration of the field trip. Chaperones are never to leave any student in their care unsupervised.
3. Situations involving student discipline should be reported immediately to the classroom teacher. Chaperones should rely on positive reinforcement redirection until the classroom teacher can be contacted. Chaperones should never touch a student in a physically aggressive way or speak to them disrespectfully.
4. Chaperones may not participate in smoking of tobacco products or consumption of alcoholic beverages during the entire duration of the field trip. If this cannot be adhered to then please do not volunteer we will not tolerate this type of participation.
5. Since the field trip is viewed as an extension of the regular classroom, all Merritt Academy discipline codes apply.
6. Parents who offer to supervise on a school field trip must understand that their full attention is needed to ensure the students’ safety. Therefore, siblings are not permitted on school field trips.
7. We also only permit a certain number of chaperones and do not permit additional parents and family members to meet us at fieldtrip locations. A group that is too large makes it difficult for us to ensure safety and appropriate learning experiences for our students.

ATHLETICS AND AFTER SCHOOL CLUBS

Athletics and other school clubs formed by staff members will be posted and available to all students to register. Some criteria may be required such as, specific age, prior game knowledge, etc. Some fees may apply. See bulletin boards in the hallway for more details on Merritt’s athletic program and after school clubs.

TUTORING

Tutoring and offering academic support after regular school hours is very important to Merritt Academy. Merritt staff will continue to offer tutoring support to all grade levels during scheduled times. Parent permission is required for students to participate in this activity.

SOCIAL EVENTS

The Board of Directors recognizes the value of student social events in enhancing and enriching the educational experience for the children at Merritt. The Board of Directors along with the administrative staff will make school facilities available and provide appropriate staff to conduct the student social event after approval by the principal.

School social events, which take place outside school facilities, must be approved by administration. As voluntary participants in school social events, students are held responsible for compliance with the rules set forth for their conduct, and infractions of those rules will be subject to the same disciplinary measures applicable during the regular school day.

Participation at school events is not a right, it is a privilege and as such will be denied to any student who has demonstrated disregard for the rules of the school, including students on suspension and academic probation.

Honor Roll: Letter grades of all A's or B's (3-12th only)

At the end of the year special recognition is given to those that have achieved excellence in their academic progress as well as social development.

At the end of the year special recognition is given to those that have:

Honor Roll: Have been on honor roll all three trimesters

Attendance: Have had perfect attendance

Spirit: Recognized by a staff member for demonstrating outstanding citizenship during the year.

BEHAVIORAL PROBATION

A student may be placed on behavioral probation if they are consistently and repeatedly sent to RTC. A student may also be placed on behavior probation because of involvement in serious incidents at school including but not limited to fighting, insubordination, bullying, etc. Students on behavioral probation may not attend social field trips or others where safety and the reputation of the school is a concern, participate in after school activities, or receive other student privileges until their behavior corrects consistently and proves otherwise.

REPORT CARDS – CONFERENCES

Academic reports for students in grades K-5 are distributed in December, March, and June. Parent-Educator Conferences are scheduled in approximately October, and January of each school year. Parent/guardian or students of age 18 are required to attend the conference to receive their child's report card. In the event the parent is unable to attend the conference one will be

rescheduled. *It is understood that educators shall, if necessary, arrange additional periodic conferences with parents. Conferences with educators must be scheduled during non-instructional time.*

APPOINTMENTS WITH EDUCATORS

If you would like an appointment to meet with your child's educator, you may make an appointment by note or call the Academy and leave a message. Phone calls to educators during school hours are reserved for emergencies only. Meetings with educators are best when an appointment is made in advance.

RETENTION

The Academy recognizes that the personal, social, physical, and educational growth of children will vary and that they should be placed in the educational setting most appropriate to their needs at the various stages of their growth.

It is the policy of the Board of Directors that each student is moved forward in a continuous pattern of achievement and growth that is in harmony with his/her own development.

A student will be promoted to the succeeding grade level when he/she has received a C average. The student must also have demonstrated the degree of social, emotional, and physical maturation necessary for a successful learning experience in the next grade. The student must also have attended school with less than 20 absences.

Students who are failing (below C average or below 3 averages) may not be promoted to the next grade and will receive additional assistance the following school year. Written notification of concern will be provided to the parent/guardian. A retention meeting will be held with the student's educator, parent, administrative representative and any other staff members that have worked with the student throughout the school year. At the retention meeting, the reasons for not promoting the student will be given to the parent as well as a plan for the following school year to academically develop the student.

In addition, the following factors are considered when making a decision for retention by the student's educator, parents, principal, Title 1 Coordinator, school social worker and other involved staff in the student's academic and social livelihood:

- Student performance based on report cards, portfolio, academic records, assessments
- Discipline record
- Attendance record
- Maturity and social level
- Age of the student
- Reading level

The school principal, however, reserves the right to retain a student in the same grade when in his/her judgment, despite the objection of a parent, and in combination of the above-listed factors strongly suggests that a student needs to have another year of growth in order to be successful at the next grade level.

Any student in 2nd, 5th, or 8th scoring below the 25th percentile on the Reading or Math Performance Series will be retained.

STANDARDIZED TESTS

The Academy gives the following standardized tests every year. Parents can receive results and are encouraged to review the findings. Call for an appointment.

- MStep: Administered to grades 3-8.
- Performance Series (Scantron): Administered 2-12. The assessments will measure their academic growth throughout the Academy year.
- Monthly benchmark assessments: Administered to grades 2-5
- Dibels Next: Administered K-1 three times a year to track reading progress

DISCIPLINE & SPECIAL EDUCATION STUDENTS

School officials may suspend a disabled student (as identified by IDEIA 2004) for up to ten (10) consecutive days without implementing procedural safeguards. However, a suspension in excess of ten (10) consecutive school days constitutes a "change in placement" for which procedural safeguards must be implemented.

Before implementing a suspension for a disabled student for more than ten (10) school days, the school district must provide due process protection given non-disabled students, and must take the following steps:

1. Notify the student's parent or guardian in writing of proposed change in placement; and
2. Convene an MDR/IEPT to determine:
 - a. Did the disability cause, or have a direct and substantial relationship to the act of the misconduct?
 - b. Did the District's failure to implement the IEP cause the misconduct?
3. If the answer to both questions is NO, a suspension of more than ten (10) days must be imposed. However, the school district is still responsible for providing special education services during the course of the long-term suspension and an IEPT must be convened to determine what the special education services will be.

At any stage, the parent always has the right to appeal a decision made as part of the IEPT process. In the event of an appeal, the school district must operate under the "stay put" policy allowing the student to remain in the present program. *Merritt Academy will follow IDEIA 2004 mandates.*

ACADEMY WIDE RULES:

The Academy's ultimate goal is to produce students that are respectful, responsible, and resourceful.

Respectful students are polite and use manners. They use appropriate language and appropriate voice levels when talking in the building and to others. They listen to and follow the direction of authority figures. They walk in the building. They keep their hands, feet, and objects to themselves. They keep a comfortable distance away from other peoples personal space. They allow the teacher to teach and minimize disruptions to the learning environment. They use safe measures and decision making when dealing with themselves, other students, staff, parents, and the school. They utilize good communication skills when dealing with others including listening and responding appropriately to concerns.

Responsible students make decisions to follow rules appropriately. They behave in a safe way for themselves and others. They care about the cleanliness of their school environment and take pride in helping to keep it clean. They make sure they are in proper uniform when they leave for school in the morning and remain in proper uniform throughout the school day. They make sure they have all they need for the day including finished homework, signed papers, and a lunch and are prepared to learn. When a choice or decision has the potential for negative consequences, responsible students admit wrong doing and are accountable for their actions.

Resourceful students are able to problem solve. They utilize people, places, and things to find answers to problems that they are having. They seek the appropriate help when they need it including adults that are on staff and the closest to get to. They help others when they can by getting an appropriate adult, or informing an appropriate adult if another student or person needs help. They try to use conflict resolution strategies to solve student to student issues appropriately and when that doesn't work they seek help of an appropriate adult. If they are in immediate danger they use good decisions to get out of it as soon as possible and then inform the nearest appropriate adult.

Specific School Rules:**1) Be prepared to learn:**

Including: be on time, bring all necessary school materials (including completed homework), do not disrupt the learning environment, take care of other business outside of the classroom.

Including: use your manners, clean up after yourself, be nice and cooperative to the teacher, other staff, other students, guests, and self. Use appropriate language at all times throughout the school. Talk in an appropriate tone and level when speaking with authority, students, guests and within the building and classrooms. Keep hands, feet, and objects to self. Keep an appropriate distance from the personal space of others. Take appropriate care of the school facility, furniture, grounds, and materials.

4) Be safe:

Including: walk at all times both in the school and outside, upon dismissal and at arrival. Keep hands, feet, and objects to yourself and do not spit or bite others. Keep an appropriate distance from others. Keep toy weapons at home – (guns, knives, handcuffs, etc. are NOT PERMITTED)

CLASSROOM RULES:

Responsibility Room Mission Statement:

Help students learn how to think and act responsibility by offering a safe and orderly place to reflect, plan, discuss, and find resources to achieve success in school.

Responsible Thinking Center (RTC)

at Merritt Academy

Grades 3-12

We believe that all students are responsible for their own actions and must be taught to respect the rights of others. This means they learn by how to think of ways to get what they want while, at the same time, respecting the rights of others. We believe that teachers have the right to teach and the students have the right to learn in a safe and orderly setting. No student has the right to disrupt in school, regardless of where they are, especially if they are preventing other students from learning or are threatening the safety and rights of others.

If a student is disruptive to the school environment, they are asked to think about what they are doing and compare their action to the rules or procedures of wherever they are. If they persist in breaking rules, they have lost their right to be where they are and are then assigned to the Responsible Thinking Center (RTC), where they stay until they indicate to the RTC Supervisor that they are willing to follow the rules from wherever they came. They are then guided by the RTC Supervisor how to work out a plan. They will use the plan to negotiate their return with the person who was in charge of wherever they were disrupting. Students are usually permitted to go to all other classes and other areas where they have been responsible.

Parents should expect to be contacted only when their child has developed a pattern of disruptions. If the patterns of disruptions continues, teachers or other staff will notify the school counselor and RTC Supervisor who will coordinate an intervention meeting that the parent must attend.

Major violations of school rules will continue to be processed according to regular disciplinary procedures.

Further, suspended students under this section shall not be permitted, during the term of the suspension to attend other classes in the Academy building or extracurricular activities, unless the Principal or designee permits the student to continue the Academy day under appropriate supervision. This policy does not negate the Principal's discretion to impose a multiple day suspension or expulsion beyond the educator's statutorily limited suspension period when the student's conduct warrants more severe disciplinary action in the Principal's sole discretion.

Application to Students with Disabilities

This policy shall be applied in a manner consistent with the rights secured under federal and state law to students who are determined to be eligible for special education programs and services.
