

The Giving Tree

What is happening?: Merritt Academy will be helping out Merritt families who are in need this holiday season. There will be three trees throughout campus that have tags for gift donations. Trees will be located in the main office, the middle school building, and the elementary building. We will also be collecting money/gift card donations if you do not have time to go out and purchase a specific gift, but would still like to help out.

How do I donate?: Stop and grab a gift tag at any of the locations throughout the school. Purchase the gift and send it back to the office, Ms. Fifer's, Mrs. Giannosa's, or Ms. Chronis' room, unwrapped, WITH the tag. It is important to send the tag taped or tied onto the item so we know which family the item belongs to.

When is this happening?: The trees will be up starting November 25th and the last day for donations will be on December 13th.

Please let Mrs. Giannosa, Ms. Chronis, or Ms. Fifer know if you have any questions or concerns.

Thank you!
